MUST WE GROW OLD? Vital Glands of Young Animals

Said to Renew Vitality

Scientists of world wide fame have found that the vital glands of young animals have remarkable powers for renewing vitality, creating energy and building up nerve force, brain and body.
Heretofore this was thought to be possible only by gland operations. The
extracts of these glands can now be
obtained in capsule form, at a small cost.
No drugs. Only genuine glands themselves. Purity guaranteed by \$130,000,000 Chicago corporation. Feel years 000 Chicago corporation. Feel years younger, Red-blooded m. n and women take Glandine to make their vitality still greater. Write Glandine Laboratories, Suite 459, 25 No. West St., Chicago, Ill, and learn however can take Glandine Treatment in your own home under a guarantee of satisfaction or
